TAKE A GREEN HOLIDAY AND HELP THE ENVIRONMENT

GET in touch with your inner greenie and help the environment by taking part in a volunteer conservation project based in Australia's Top End.

Travel Associates is offering a unique conservation experience in the Northern Territory where participants can choose from a range of 'green holidays' to suit their interests.

A green holiday offers a unique opportunity for travellers to help protect Australia's natural and cultural features. Traveller participation in the eco-accredited and indigenous culture packages, not only preserve the environment but help Indigenous communities achieve economic independence and cultural sustainability.

Travellers will also enjoy a rhythmical didgeridoo performance, outback dinner and show.

Prices start from \$992* per person twin share and include three nights in 4.5 star accommodation in Alice Springs, a two week conservation experience including 14 nights accommodation most meals, team leader, project transport, didgeridoo outback dinner and show.

Valid for travel 1 April – 7 October and 17 – 31 October 2010. Airfares not included.

Phone Travel Associates on 1800 044 066 or log onto <http://www.travel-associates.com.au/> for more information.
