

REF: INFC/5night cruise on board Balmoral with Fred Olsen Cruise Line

ON THE TRAIL OF THE TITANIC

TRACE the history of the world's most famous cruise ship, *Titanic*, with Travel Associates.

Travel Associates is offering travellers the opportunity to take a step back in time on a five night Titanic Memorial Cruise on *Balmoral*, priced from only \$899* per person twin share.

The cruise starts from Southampton England and journeys to Liverpool, a city which shares many connections with the Titanic. The head offices of White Star Line, the company that built Titanic, were located there. When news broke of the ship's sinking, the offices were besieged by the public on April 15, 1912. Many of the crew were also from Liverpool and six of the most senior officers lived there. Guests can view a memorial to the engine room heroes at Pier Head Liverpool and a memorial plaque to the band at the Philharmonic Hall.

The final stop is Belfast in Ireland. The *Titanic* was constructed at the Harland and Wolff shipyard in Belfast and launched from the city on May 31, 1911. Hundreds of men in Belfast worked on the liner and there were many Irish passengers and crew on *Titanic*. Other places of interest are Dunallon - home of Thomas Andrews, *Titanic's* Designer; SS *Nomadic* - last remaining vessel of the White Star Line; The Harland & Wolff Drawing Office - where *Titanic's* plans were drawn and of course there is the *Titanic* Memorial - commemorating those who lost their lives from Belfast.

The deal includes five nights of accommodation on an inside cabin, all main meals and entertainment on board, all port charges and government taxes.

The deal is available for sale until January 31, 2012, unless sold out prior, for travel on April 3, 2012.

*Price is subject to change and availability at the time of booking.
